

الأبحاث العلمية لقسم الكيمياء الزراعية

List of Publication: Prof. Dr.Magda Eweis Mahmoud

- (1) Lazitiy, R.; Bekheit, M.; Turk, S.A.; and Mahmoud M. E (1985): Biochemical studies on the isolated fractions of different varieties of rice. Annals of Agric., Sci., Moshtohor. 23, (1), (1985) 233-250.
- (2) Abdel-Samei, M.B., Hatour, F.S., Turk, S.A., and Mahmoud M. E (1989): Biochemical studies on amino acid composition and subunits of rice proteins. Mania J. Agric. Res. & Dev., V. 11, No. 3, 1217-1237.
- (3) EL-Morsi, E.A.; Turk, S.A.; Hatour, F.S.; Metry, S.W.; Abdel-Salam, H.S. and Mahmoud M. E (1993): Studies on peanut protease inhibitor 1. Extraction, purification and some properties. In the proceeding of Minia University, 9-12 Oct. 1993 In press.
- (4) EL-Morsi, E.A.; Abdel-Salam, H.S.; Abu El-Fotouh, S.A.; El-Sayed, M.M.; Zaki, A.M. and Mahmoud M. E (1993): Studies on peanut protease inhibitor 2. Reactive sites of the inhibitor and its complexes with trypsin and/or chymotrypsin. In the proceeding of Minia University, 9-12 Oct. 1993 In press.
- (5) EL-Morsi, E.A.; Abou El-Fetouh, S.A; Turk, S.A.; Hatour, F.S. and Mahmoud M. E. (1994): Studies on peanut protease inhibitor: 3 Effect of pH, heat treatment and cysteine on the inhibitor activity in the proceeding of second Saudi symposium on food and Nutrition, 7-10 November, 1994. College of Agriculture, king Saudi University, Kingdom of Saudi Arabia.
- (6) EL-Morsi, E. A.; Abdel-Galil, M. L., Mahmoud M. E, E. and El-Malt, E. A. (1996): Studies on inhibitors of trypsin, chymotrypsin and α -amylase in grains of some local varieties of sorghum. J. Agric. Sci. , Mansoura Univ. 21: 4665-4678.
- (7) Turk, S.A.; Mahmoud M. E, Abdel-Galil, M.L.; El-Malt, E.A. and El-Morsi, E.A. (1997): Studies on the non-enzymic browning reaction in lactose-glycine model system . Proceedings of the international conference on sugar and sugar substitutes in food processing & nutrition October, 14th- 16th, 1997. Suez canal Univer. Ismailia, Egypt. 82-94.
- (8) E-Morsi, E.A.; Abdel-Galil, M.L.; and Mahmoud M. E (1997): Purification and characterization of an α -amylase inhibitor from sorghum grains. J. Agric. Sci., Mansoura Univ., 22(12): 4801-4816.

- (9) EL-Morsi, E.A.; Mahmoud M. E. and Abdel-Galil, M.L. (1997): Low molecular weight melanoidin as a potent inhibitor of trypsin and chymotrypsin. In the proceeding of the first scientific conference of Agricultural Sciences, Faculty of Agric., Assiut Univ., Assiut, 13-14. December, Vol. 11: 991-1004.
- (10) Turk, S.A.; Mahmoud M. E, Abdel-Galil, M.L.; Aboul-Fetouh; S.A.and Shaker, E.S (1997): The chemical structure of a melanoidin from Lactose- Cystine model system. Annals of Agric. Sci. Moshtor, 35(4): 2177-2188.
- (11) Mahmoud M. E (1998): Purification and characterization of trypsin and chymotrypsin inhibitor from pea (*pisum sativum*) . J. Agric. Sci. Mansoura Univ. , V. 23 No. 5 : 1376- 1387
- (12) EL-Morsi, E.A.; Abdel-Galil, M.L. Mahmoud M. E and Abdel-Naem, G.F. (1998): Some properties of a lectin purified from kidney bean (*Phaseolus vulgaris*) seeds. J. Agric. Sci. Mansoura Univ., 23(4): 1829-1842.
- (13) Turk, S.A.; Mahmoud M. E.; Karima A. Hassanein and Matwalli, A.A (1998) : Effect of some factors on millard reactions in sugars- casein model system. J. Agric. Sci. Mansoura Univ. , V. 23 No. 5 : 2343 – 2355
- (14) S.M. Abdel Kader , M.M.El Sayed and Mahmoud M. E. (1998) : " A new antibacterial compound from *Acacia etibaca* L. leaves ". J. Agric. Sci. Mansoura Univ. , V. 23 No. 6 :2951 – 2959
- (15) El-Morsi E.A;; H. A. Ismail ; M.L. Abdel-Galil; Mahmoud M. E and G.F. Abdel-Naem (2000): Studies on Biochemical and Functional Properties of Canola Meal and Protein Isolate. In: Proceedings of the Second Scientific Conference of Agricultural Science Vol. II, Assiut Univ., Fac. Agric. Assiut, Egypt. October 28-29, pp 1049-1065.
- (16) EL-Morsi E.A., Mahmoud M. E, M.L. Abdel-Galil and E.A EL-Malt (2001): Purification and characterization of Mungbean trypsin/chymotrypsin inhibitor. In the abstracts of Bittcom. 2001 March 4-9 New Orleans, LA, USA. Abstract No. 1276.
- (17) El-Morsi, E.A., M.M. El-Shakankery, A.M. Zaki, Mahmoud M. E, and M.L. Abdel-Galil (2001): Purification, Characterization and some Properties of pea (*Pisum sativum*) seed lectin. Bulletin of Egyptian Society for Physiological Science, 21: 172-205.

- (18) Ghazy, M.A. Mahmoud M. E and M.L. Abdel-Galil and A.A. Mahmoud (2001): Effect of Gamma irradiation on three Egyptian potato cultivars during storage. Egypt. J. Rad. Sci., Applic., V. 14, No. 1, 155-171.
- (19) Mahmoud M. E.; S.A. Turk; S.M. Metry; Om-Hashem H. Kamel and E.A.El-Morsi (2002): Purification, characterization and some properties of an α -amylase inhibitor from white kidney bean (*Phaseolus vulgaris*). In Proceeding 1st Conference for Agricultural and Environmental Sciences (MCAES 1st) 25-28 March 2002. vol. 22 special issues A, 19-37.
- (20)-EL-Morsi E.A., Mahmoud M. E., Abdel-Galil, M.L. and E.A EL-Malt (2002): Purification and characterization of Mungbean trypsin/chymotrypsin inhibitor. In Proceeding 1st Conference for Agricultural and Environmental Sciences (MCAES 1st) 25-28 March 2002.. Vol. 22: Special issue A . 39-54
- (21) S. M. Abdel Kader; Mahmoud M. E., Abdel-Galil, M. L. E.A EL-Malt and A.M. Zaki (2002): Dihydroisocoumarin glucoside from *Atriplex halimus* In Proceeding 1st Conference for Agricultural and Environmental Sciences (MCAES 1st) 25-28 March 2002. Vol. 22: Special issue A .121-132.
- (22) Mahmoud, M. E; Issa, M. A.; Abdel-Salam, H.S.; M. Sh. Hassan and Amal A. Salah. (2003): Effect of Microwave and γ -Irradiation on Some Antinutritional Factors in Some Legume Seeds. J. Agric. Sci. Mansoura Univ. 28 (7): 5873-5892.
- (23) Mahamed M. E. and Fawzy, A.M. (2003): Evaluation of nutritional quality and functional properties of Egyptian truffle tubers and protein isolate. Minia J. Agric. Res. & Dev. 23 (3): 475-494.
- (24) Mahamed M.E.. (2003): Removal of phytate from the seeds and protein isolates of some Egyptian legumes by phytase. Minia J. Agric. Res. & Dev. 23 (3): 401-424.
- (25) M.M. El Sayed , M.A.El Shafei ,G.F. Abdel Naem and Mahmoud M. E (2003): Harmal (*P.harmal* L.) as highly nutritional feeds stuff potent protective against some pathogenic microorganisms "
- (26) Mohamed M. El sayed, M. Ghazy, G. Abdel Naem and Mahmoud M. E. (2004): The role of black truffle *I.melanosporum* L. as functional food additive source. The 2nd con. On the role of biochem. In environ. and Agric., fac. of Agric. Cairo univ. p. 214 – 223

- (27) Mahmoud, M.E; El-Shafei, M.A. and Tag El-Din, M.A. (2005): The role of white truffle (Tuber magnatum) as a source for nutrition and protection Minia J. Agric. Res. & Dev 25. 317-328.
- (28) S.M. Abdel Kader; E.A EL-Malt; Mahmoud M. E., Abdel-Galil, M.L. and Shaker, E.S (2005): Isolation and identification of the aroma components from clove Eugenia Caryophyllus Spreng ,J. Envir. Sci.,V 30. 83-103
- (29) Mohamed M. El sayed, M.Sh. Hassan, Mahmoud M.E. and M. Hemdan (.2006): chemical and biological functions of methanolic fraction from *Milia azederach* L.seeds. The 3rd Int. conf. for Develop. And the environ. In the Arab world. March 21-23. Assuit, Egypt, p. 145-152.
- (30) Mahmoud, H. I. and Mahmoud M. E. (2010): Effect of thiamethoxam and emamectin benzoate on hematological, biochemical and histopathological parameters in female rats. J. Agric. Chemistry and Biotechnology, Mansoura Univ., V 8, 457-472.
- (31) Mahmoud, H. I., Mahamed M. E., Ismail H. A., and Hassan H. M (2010): The effect of some natural and synthetic colorants on blood parameters of male albino rats. J. Biol. Enviro. Sci., 2010, V 5, 537-554.
- (32) Moussa, A. M., Emam A. M., Mahamed M. E. and Mahamed A. S. (2011): Evaluation of antioxidant potential of 124 Egyptian plants with emphasis on the action of punica granatum leaf extract on rats. International Food Research J. 2011, V 18, 535-542
- (33). Morsy, M., A.; Abdalla, A, M.; Mahmoud, A., M.; Abdelwahab, S., A. and Mahmoud, M., E.,. (2011): Protective effects of curcumin, α -lipoic acid, and N-acetylcysteine against carbon tetrachloride-induced liver fibrosis in rats. J Physiol Biochem
- (34) Taha A., A; H.M. Eshbah, Mahmoud M. E. and M.M.El Sayed.. (2012): Antifungal action of some natural products against fungi responsible for chalkbrood and stonebrood diseases infect broad of the honey bee. In the proceeding of Minia internacional conferencié for Agricultur and irrigati3n in the Nile basin countries, 26th- 29th March 2012, **92-98.**

- (35) EL-Malt A. E., Zaki, A.M., Mahmoud M. E., and Ali, A. M. (2012): Chemical composition, antimicrobial, and biological activity of *Thymus vulgaris* (Thyme) essential oil from Minia Egypt. J.Biol. Chem., Environ. Sci., vol. 7(1).273-295.
- (36) Mahmoud M. E., Zaki, A.M., EL-Malt . E. A, and Ali, A. M. (2013): Chemical composition, antimicrobial, and biological activity of *Origanum marjorana* (Marjoram) essential oil from Minia Egypt. J.Biol. Chem., Environ. Sci., 2009, vol. 7(1).273-295
- (37) Heeba G. H., Mahmoud M. E. and EL Hanafy, A. A.(2013): Anti-inflammatory potential of curcumin and quercetin in rats: Role of oxidative stress, heme oxygenase-1 and TNF-alpha Toxocology & industrial health
- (38) Mahmoud M. E. and Aly, A. S. (2013): Antihyperglycemic and hypolipidemic effect of Tigernut (*Cyperus esculentus*) extracts on streptozotocin-induced diabetic rats. Minia J. Agric. Res. & Dev. 33 (3): 421-443.
- (39) Heeba G. H. and Mahmoud M. E. (2014): Therapeutic potential of morin against liver fibrosis in rats: Modulation of oxidative stress, cytokine production and nuclear factor kappa B. Environmental Toxicology and Pharmacology 37, Issue 2, March, P 662–671
- (40) Zaki, A. H.; Mahmoud M. E. Ismail H. A. and E. A. El-Malt (2014): Hypoglycemic and hypolipidemic effect of *Citrullus colocynthis* and panax ginseng extract compared with metformin in streptozotocin- induced diabetic rats. . J. Biol. Chem. Enviro. Sci., V 9, 307-327.
- (41) . Heeba G. H. and Mahmoud M. E. (2014): Dual effects of quercetin in doxorubicin-induced nephrotoxicity in rats and its modulation of the cytotoxic activity of doxorubicin on human carcinoma cells. J. Environmental Toxicology.

List of Publication: Prof. Dr.ESAM AHMED EL-MALT

- (1) EL-Morsi E.A., Magda E. Mahmoud, M.L. Abdel-Galil and E.A EL-Malt (2001): Purification and characterization of Mungbean trypsin/chymotrypsin inhibitor. In the abstracts of Bittcom. 2001 March 4-9 New Orleans, LA, USA. Abstract No. 1276.
- 2) Turk, S.A.; Magda, E. Mahmoud, Abdel-Galil, M.L.; El-Malt, E.A. and El-Morsi, E.A. (1997): Studies on the non-enzymic browning reaction in lactose-glycine model system . Proceedings of the international conference on sugar and sugar substitutes in food processing & nutrition October, 14th- 16th, 1997. Suez canal Univer. Ismailia, Egypt. 82-94.
